UNITED STATES DEPARTMENT OF AGRICULTURE
BUREAU OF AGRICULTURAL ECONOMICS

AGRICULTURAL ECONOMICS LITERATURE
INDEX TO VOLUME 5 - 1931.

This is an author, title and subject index. The general plan has been to classify by subject and to subdivide geographically. For the benefit of those wishing all the information available relating to a geographic division, entries have been repeated under countries, states, cities, etc., without subdivision by subject.

The letters SR and DN indicate signed reviews and descriptive notes, respectively.
